Dear Mr. Sterquell,

Please accept my sincere appreciation and thanks for your support in the 15<sup>th</sup> Annual KwanzaaFest. But more than that, you deserve my applause for the reputation and footprint that you have made in this state.

You have managed to establish yourself as a major player in both the health and housing fields. Your architecture and model is one that is worthy of emulation, but it is your genuine approach and consideration that will always set you apart and warrant significant status.

Thanks again for allowing yourself to be a great resource for this community. I look forward to working with you in the future.

Sincerely,

  
John Wiley Price
