Amarillo, TX 79109

Dear Mr. Richards,

As the year progresses, we find it not only appropriate but also a pleasure to express our gratitude for your commitment to the students of Amarillo Independent School District. We appreciate the community support and involvement you have expressed with the donation of a bronze statue for the entry way at Tradewind Elementary School. We accept this generous gift with sincere thanks.

Our continuing challenge is to communicate the progress of the District and to share the positive things that occur daily in our schools. You are helping us do that, and we thank you for your efforts. We value your continued interest in our school district.

Sincerely,

Anette Carlisle
Board President

Rod Schroder
