Can you all forward this to the rest of your group?

To Our Partners at American Housing Foundation!

We thank you from the bottom of our Hearts for your support. From the President of AHF down to the Porter who picks up the grounds on a daily basis please know that you have truly made a difference in someone's life. A special thanks to Steve, Sterk, JoAnn and Claire for blessing us with your presence. JoAnn thanks for bringing your son I hoped he enjoyed it! Steve, you did an excellent job last night! It is not easy to be the main speaker for an event when you know ahead of time that you are but, to do it without that advance notice, I was really impressed!

Please remember that this total amount only represents those scholarships going to graduating Seniors. I will keep you informed of the other two forms of Scholarships we give out as the information becomes available. If my first memory serves me correctly at the first Crystal Awards I attended the amount for the Ann Lott scholarship was \$1,500 and we thought we were really doing something. I can hardly believe the totals now, it is so wonderful!

Again thank you so much for your support. Sincerely,

Tim Lott
