Outreach**

To Whom It May Concern:

My name is Jeff Parsons and I direct Multihousing Outreach, a ministry focused on meeting the needs of low income apartment residents through area churches. I have worked primarily with American Housing Foundation properties over the last three years and have found them committed to providing an improved quality of life for their residents. I personally will remain committed to working with AHF for the years to come and look forward to doing so.

Thank you for helping them invests in the lives of the less fortunate.

Grace,
