Joann Cruz-Perez  
American Housing Foundation

Dear Joann,

I just wanted to let you know our first Camp Discovery went incredibly well. Over 70 kids attended, 38 from Astoria Park, Greenacres, and Green Tree Village. One of the unique things about this camp was that there were six languages spoken. It was a memorable experience to sit at meal time and hear all of the different languages being spoken.

The kids had an opportunity to learn about the ranching history of this area, staying active and eating right, as well as learning about their Creator. It was fun to see kids from Somalia, Sudan, or Iran try their hand at roping, participate in rope making, and just have fun within the culture of our area.

This camp was sponsored by First Baptist Church Canyon, who covered 80% of the cost for the kids to attend this camp. Typically, a camp such as this runs \$100 per child. With FBC Canyon's help, each child was able to attend this camp for only \$20 each. As per our conversation in late April, the American Housing Foundation will pick up the \$20 fee for their residents. The total fee for AHF kids for Discovery Camp is \$760. Please make the check payable to First Baptist Church Canyon.

Attached you will find a list of the 38 kids from AHF properties who attended.

Thank you for help make Camp Discovery a reality for these kids.

Grace,

Jeff Parsons  
Director  
Multihousing Outreach
